

EASTER SEASON COMMUNIQUE

Suzanne Sherry
Faith Committee Chair

He is Risen – Alleluia!

Rejoice! in the salvation and blessings we have been given through the resurrection of our Lord, Jesus Christ! Easter offers us an opportunity to give thanks and praise to God for the new life and eternal salvation offered to us through his grace and mercy. Take some time away from the commercial aspect of the holiday including Easter eggs, Easter baskets, and the Easter bunny to reflect on the true meaning of Easter which is the crux of our faith. Prayer is a simple way to worship God and experience the joy and blessings of a grateful heart.

Our **FAITH** calls us to worship Jesus, the only son of the Father who gave his life that we might live. Let us offer our time in performing works of mercy as a thank you to Jesus for His sacrifice. We are reminded that our Saviour died for each and everyone of us, as brothers and sisters on earth. May we see the face of Jesus in all those we serve.

May the blessings of the Easter Season give us the courage and strength needed to perform our works of mercy and service as we continue our journey as members of the Catholic Women's League.

There are so many issues that need to be addressed. Use your voices and your letters to advocate against Euthanasia. The pornography issue still needs our attention to name another. Do not give up fighting the good fight.

Remember the wise words of St. John Paul II "Do not abandon yourselves to despair. We are Easter people and hallelujah is our song."
