Part I

This award provides recognition to the council that had the **greatest increase in membership** for the previous year. This is for the council that not only strives to get new members but also works to have all current members renew each year.

Part II

This award provides recognition to the council with the **greatest percentage increase in membership** during the previous year. This award is for the small councils that do not have a large membership and so do not have a large parish population from which to recruit members.

Please complete this form and attach a copy of both your **2022 and 2023** membership information from National Office noted above and forward to the address noted below. The deadline for submission of this form is February 28th.
