Vice President Communique – February 2026

TO: Diocesan Presidents
CC: ABMK Officers and Diocesan Vice-Presidents
FROM: Jan Myhre, ABMK Provincial Vice-President

Dear Sisters of the League,

I am very excited to share this wonderful news and ask that you please share it with your members.

The **Catholic Women's Leadership Foundation** has arrived in Alberta! This well-established program has been forming Catholic women leaders for several years, and many CWL members across the country have already benefited. Now, women in Alberta have the opportunity to participate locally.

The Foundation offers “*meaningful, faith-centered leadership opportunities that inspire confidence, purpose, and impact.*” The course will be delivered in a hybrid format, with mostly weekly online sessions, concluding with a two-day retreat at St. Mary's University in Calgary.

This is a beautiful opportunity for women of the League to deepen their faith, grow in leadership, and serve with renewed confidence. Please encourage your members to prayerfully consider applying. More information can be found on their website at
