

The Catholic Women's League of Canada
ALBERTA MACKENZIE PROVINCIAL COUNCIL

Vice President Communique – January 2025

TO: Diocesan Vice-Presidents
FROM: Jan Myhre, Provincial Vice-President

Dear Sisters of the League,
Many councils have conducted or are currently conducting their membership drives. However, our efforts to promote the League continue year-round. Please remind your councils about the **"One Campaign,"** which was gifted to us by our National Vice-President, Betty Colaneri. There are numerous creative "catch phrases" that councils can use to promote the League—whether in their parish bulletin, during Mass announcements, or through table discussions at meetings.

Purpose

- Recruit:** Encourage members to reach out to ladies in their parishes and communities to join The Catholic Women's League of Canada.
- Retain:** Show gratitude and appreciation to current members.
- Reactivate:** Welcome back members or councils.
